Derbyshire Council Employee – Claire

“Following an insight talk from Ben Taylor (Financial Inclusion at DCC), I was intrigued by the salary saver scheme that Derbyshire Community Bank offer. I’m always determined to save each month, but it rarely happens. To me, this was a no brainer.

Signing up was so easy – quick online application, and the money was moved over from my salary the next month. Simple way to save & without me ‘pinching’ it from the pot, and knowing it can help others too, made it feel even better!

I would highly recommend joining the bank to save simply ”
